

### Letter from the President

2015 is off to a great start! We are starting to get our name out to the community. As a result, we have some great changes that are beginning to unfold! We are grateful that these new opportunities are opening doors for our little rescue ranch! Some future goals include creating large turnout in the back, setting up more stalls for adoptable horses that might stay on the property, and getting lights installed for the arena. Are you interested in serving on the board of directors? We are searching for a Public Relations Director!

Want to know how you can help? Contact a board member!

## Recent News

☀ We joined Desert Trails Coalition of the Coachella Valley and have representatives on the board. Our focus is going to be trail access on the east end of the Coachella Valley. DTC supports trail use organizations in and around the area with legal advocacy and expert advice on issues related to trail use and access.

☀ Dancing With Our Stars: We raised \$1,000.00 thanks to our fabulous dancers. Way to go, team! Dancing With Our Stars was a great event filled with talent. Thank you Jennie, Van, Mary Anne and Ismael for dancing for our charity. Congratulations for winning the audience choice award, Mary Anne and Ismael!!! Everyone was a winner and raised money for wonderful causes. What a great event! We can't wait until next year!

☀ Welcome to our latest addition, Sundae! She's already very popular with the 4-H kids and anyone she interacts with due to her overly sweet (like ice cream!) nature.
